

**Perry/Morrice Adult
Education
Summer School**

If you need to earn extra credit or make up credit that was lost during the regular school year, come and see the new way to learn with Apex web-based learning or by the independent study in a classroom setting for your academic needs.

We accept all students from all school districts. If you want to make up credits come and see what we are all about!!

Earn that credit in the summer so you don't have to worry about it next school year

Visit the Apex Website

[www. Apexlearning.com](http://www.Apexlearning.com)

A individual plan is developed in conjunction with the parent, student and school to assist in meeting the educational goal of each student.

Classes Offered Fundamental and Core Classes

Sign up with a check for each class subject
and what session

Perry/Morrice Adult Education Summer Credit Recovery

These classes are completed independently in the classroom or in our lab, with the guidance of a certified teacher. All class work must be completed in class and students must have the hours and the work completed by the end of the session. The Apex learning system allows for completion from alternative sites.

- Summer classes are offered as a benefit for those students who are behind in credits.
- Students are asked to arrive on time for each class day.
- Perry is a drug free school zone and smoking is prohibited.
- Attendance is required everyday.
- Students are required to have a letter from their school counselor granting permission to enroll in summer classes.
